School Song

Author Unknown

Our days in school were numbered
And now they're at an end.
But still we shall be loyal
To every high school friend.
We take with us our thoughts of
fun
And those of strife we've bore;
Our plans, games and clubs,
Of which, we all wish we had more.

So, as we pass the threshold,
We'd like to pass right on,
To the up and coming seniors
All the display that's to come.
And so we say good-bye,
As we each ascend our ways,
To our parents and our faculty
Who caused those happy days.

Class Poem

By Justine Harrison

When we leave our swell high school
And go our separate ways,
We will take with us many memories
Of all those happy days.

The work and fun in classes,
Our teachers, and friends, too,
Have added to the pleasant time
That we have known in school.

The new world that we enter
Will mean much work with fun,
But our dreams will be captured
The long hard struggle won.

For those we leave behind
We wish to ask one thing,
Make the most of each new day
That the future years will bring.

To our parents and our faculty,
Who caused those happy days,
We would like to say, "Thank -you,"
As we travel on our way.

Class History

In September, nineteen hundred, fifty-six, a timid, fearful group of thirty-eight freshmen enrolled in Pickford High School.

We had gained a number of new students: Mary Ann O'Brien, Andrew Stevenson, Jim Storey, Emily Pierce, Katherine House, Bill Harrison, and Bill Allard. Before the year was over we lost Emily Pierce and Bill Harrison.

Our first class meeting was devoted to electing class officers: president, Ted Stevenson; vice-president, Terry Sylvester; secretary, Justine Harrison; treasurer, Joyce Ames; student council, Mary Hewer and Bruce Taylor. Our class advisor was Mr. Smale.

We chose as our class flower the yellow rose, blue and silver as class colors, and the class motto "Climb Though the Rocks Be Rugged."

In September the upperclassmen initiated us. On that day we were forbidden to comè looking pretty; nevertheless, we had a good time which shall never be forgotten.

Mary Sue Hewer and Justine Harrison were elected as junior varisty cheerleaders.

Mary Sue Hewer was chosen to represent the class as Carnival Queen.

In the fall of nineteen hundred, fifty-seven, we again returned to school, this time as dashing sophomores. At our class meeting we chose as our advisor, Mr. Smale. The following officers were elected: president, David Beacom; vice-president, Bruce Taylor; secretary, Mary Sue Hewer; treasurer, Mary Ann O'Brien; student council, Justine and Gerald Harrison.

Justine Harrison was chosen to represent the class at the Carnival as our Queen Candidate.

Justine Harrison and Mary Sue Hewer were chosen from the class as junior varsity cheerleaders.

This was the year, we had the honor of returning the initiation on the new greenhorns.

We began our third high school year as dignified juniors. We had lost a few members, but the majority continued with us, on our quest for knowledge. We chose the following juniors to head us: president, Jack Rutledge; vice-president, Mary Ann O'Brien; secretary, Joyce Ames; treasurer, David Adams; student council representatives, Ruth Wagner and Terry Sylvester.

Donna Crawford was chosen to represent the class for the Queen candidate of the Carnival.

Mary Sue Hewer and Justine Harrison were chosen for varsity cheerleaders.

During the year, Donna Crawford left us and we gained a new student, Tom Smith.

In March, we received our class rings, which made us feel a little closer to graduation.

On November eight, 1958, we held our first money-making project. Our Ham Supper was a huge success.

Senior....the long awaited time had come. The year when thirty Seniors of the class of '60 would graduate.

We were finishing our fourth step towards a higher education. We were careful in choosing our officers for we had greater tasks to perform than ever before. We chose the following for class officers: president, Barbara Hancock; vice-president, Ruth Wagner; secretary, Darlene McCord; treasurer, Beverly Johnson; student council representatives, Mary Sue Hewer, Ruth Wagner, and Terry Sylvester. Mr. Howell was selected as our advisor.

Mary Sue Hewer and Justine Harrison were chosen as varsity cheerleaders. Dianne Little was chosen to represent the class as queen candidate for the carnival.

At the beginning of the year, Mary Ann O'Brien left us and we gained a new student Liz Smith.

In October our Senior pictures were taken.

Our play, "Oh, Charlie" was selected with a cast of 10 members under the direction of Mr. Robert McHaney, was presented on February 11 and 12.

Through several activities, we have raised the funds necessary for our senior trip to Chicago.

Baccalaureate was held on May 22nd. Then came the night for which we had hopefully looked forward to and had worked hard for---the night when thirty triumphant seniors marched forward for their diplomas---Graduation, May 27, 1960. So it's with great pleasure and perhaps a little regret that we say good-by and thanks to our friends, parents, and teachers as we start on our journey through life to make our dreams of today the goals of tomorrow.

Class Will

We, the class of nineteen hundred and sixty, in the town of Pickford, County of Chippewa, State of Michigan, and the United States of America, of sane minds and sound bodies do declare this our last will and testimony.

First, we will and direct that all of our just debts be paid in full.

Second, we leave to our beloved faculty fond memories of the many trials and tribulations we have caused them, but we assure them their untiring efforts shall not have been in vain.

Third, we leave to the Juniors leadership among the classes always to be an example to the Freshmen and keep them in their places.

Fourth, we wish to leave to the student body, our natural dignity and sense of humor.

The following Seniors wish to leave as gifts their most cherished possessions:

David Adams leaves his singing ability to Margaret Moore.

Bill Allard wills his scientific themes to Mr. Howell.

David Beacom wills his ability to "Love'em and leave'em" to Don Thompson.

Gerald Cottle wills his "stand-around" to Donnie and Trinda.

Future Homemakers of America

To improve our personal, family, and community living; both now and forever. This has been the overall objective of fifty-one FHA'ers in the Pickford Chapter. Sixteen new members were initiated during October into a program which included sending gifts to Newberry, volunteer soliciting for the March of Dimes, a monthly Dress-up Day, a Manners Week, the Mother's Tea, the Amateur Talent Show, sending Christmas boxes to elderly residents, and many others.

Sixteen girls worked toward a Junior Homemaker Degree; while Barbara Hancock worked toward a State Degree, the highest degree of achievement awarded to a Future Homemaker.

In June of 1959, Johnette Zwolinski attended the Leadership Training Workshop in Ypsilanti. During July, Jane Taylor, elected Regional Vice-President, and advisor Mrs. Kennedy attended the National Convention held in Chicago. Several members attended the Regional Meeting at Marquette and the State Convention at Grand Rapids.

Mary McDonald, elected secretary, and Judy Crawford, elected treasurer, represent our Chapter in the Regional organization.
